**RE: THANK YOU FOR YOUR SUPPORT AND PARTICIPATION AT THE NLC
2015 INDABA**

On behalf of the Board, Management, Distributing Agencies and staff of the National Lotteries Commission (NLC), I would like to express our sincerest gratitude for your contribution to the success of the NLC's 2015 Indaba. We acknowledge and appreciate the participation, input and commitment displayed during this Indaba 2015, and your role in crafting the resolutions that will see us realising our vision *being 'the Catalyst for Social Upliftment'*.

At the end of the Indaba 2015, the delegates resolved on the following:

1. Improve marketing and communication of the National Lotteries Commission, and the link between revenue and the funding of good causes
2. Improve monitoring of funded organisations – and measurement of NLC's impact
3. Strengthen partnerships with other stakeholders to improve regulation
4. Improving service delivery and turnaround times through enhancing technology (by allowing for online submission and tracking of applications)
5. Extend capacity building efforts for beneficiaries to improve resource use and the impact of programmes (e.g. management, financial and governance skills)
6. Ensure processes and procedures are fair, ethical, transparent and professional and deliver on the NLC's espoused values
