NATIONAL LOTTERIES COMMISSION

GUIDELINES FOR SUBMISSION OF MISCELLANEOUS APPLICATIONS

Funding for miscellaneous purposes is appropriated by the Board of Directors of the NLC (Board).

1. AREAS OF FUNDING CONSIDERED UNDER MISCELLANEOUS FUND

- Projects that fall within the scope of the priority areas identified by the Minister of Trade and Industry in the Regulations on "Direction for Distribution Agencies in determining the distribution of funds from the National Lottery Distribution Trust Fund".
- Projects that aim to address emergency situations, disasters and catastrophic events
- Special projects/events that are occurring outside the various sectors' normal call for applications.
- Projects that fall outside the scope of Arts, Culture, Environment and National Heritage, Charities and Sports and Recreations sectors or straddles across the three sectors. In the case of the latter the project proposal will need to clearly demonstrate an integration of the different sector components into a holistic project outcome/deliverables.
- The potential applicant must show that it aims to improve the quality of life of people and communities who are disadvantaged by poverty or social exclusion;
- They need to indicate that projects undertaken or to be undertaken will promote social inclusion and encourage community involvement

2. WHAT DOES THE MISCELLANEOUS FUND NOT COVER?

- The miscellaneous fund is not a replacement or augmentation of the normal sector allocations.
- The miscellaneous fund will not consider an application if declined by one of the sector Distributing Agencies because the funding criteria were not adhered to. The miscellaneous fund will not consider an application which attempts to augment an allocation received from a sector Distributing Agency, where the funding received is less than the amount applied for.
3. WHO IS RESPONSIBLE FOR THE ASSESSMENT OF THE MISCELLANEOUS APPLICATIONS?

All applications are received by the Grant Funding Division of the National Lotteries Commission (NLC), who provides administrative support to the Board. The Board assesses the merits of each application in terms of the relevant legislation, policies and prescribed guidelines. Successful applicants will be awarded a grant after adjudication.

4. WHEN DO YOU APPLY FOR MISCELLANEOUS FUNDING?

Applications for miscellaneous purposes are submitted and adjudicated periodically on a needs basis, with no special window for applications. The Board may however publish a call for applications for proposals to address certain priorities identified. In this case applications will be restricted to the scope of the call for applications.

No applicant to whom a grant was made by the NLC shall be eligible to apply for another grant within a period of twelve (12) months from the date of receipt of that grant, irrespective of whether the project is different from the one previously applied for.
