The extent to which a complaint application is funded will be determined by the strategic fit of the application. Application that fall outside of the strategic focus detailed above will not be considered.

The Distributing Agency for Sports and Recreation will give preference to applications from organisations that advance the interest of rural, under-privileged and poor communities, and those provinces that have historically received less than the prescribed minimum sports allocation, as well as those organisations that focus on sport transformation and development.

Applications for funding will be considered from registered non-profit organisations or affiliated sports organisations that submit all the required documents and information as outlined in the **Guidelines**.

Applicants that are awaiting a response on a previous application are advised not to apply until they have received correspondence on the outcome of the previous application.

PLEASE NOTE:

- Applicants who have been in existence for less than six (6) months may apply through an agent/ representative/ conduit.
- **No applicant to whom a grant was made by the National Lotteries Commission will be eligible to apply for another grant within a period of twelve (12) months from the date of receipt of that grant, irrespective of whether the project is different to the one previously funded.**

The twelve (12) month “cooling-off” period will be counted from the date of the NLC’s last payment to the beneficiary. Please refer to clause 11 of the grant agreement signed with NLC. This condition is only applicable to organisations funded under the 2015 Call.

- Applications will be categorised as follows:
