NATIONAL LOTTERIES COMMISSION CONGRATULATES VHAFAMADI SECONDARY SCHOOL

For Immediate Release: 04 January 2019

The National Lotteries Commission (NLC) congratulates Vhafamadi Secondary School for achieving a 100% pass rate in the 2018 National Senior Certificate Examination.

In 2016, as a response to the riots in which more than 20 schools were destroyed in Vuwani, the NLC took a decision to intervene in order to assist with restoring education normalcy in the area. Through its proactive funding model, the NLC granted Vhafamadi Secondary School R28 million that was used to demolish the remains of the old structure and construct new classrooms, a library, and administration block including a computer centre and kitchen facilities.

We congratulate all learners, their families, school governing bodies and all other relevant stakeholders for their collective effort to ensure a conducive learning environment that yielded the best results.

The NLC commends the matric class of 2018 for achieving an outstanding overall national pass rate of 78.2%.
