National Lotteries Commission (NLC)
P O Box 1556
Brooklyn Square 0083, Pretoria

To: National Lotteries Commission (NLC) Funding Applicants
From: Mrs TCC Mampane, NLC Commissioner
Date: December 2015
Subject: NLC Commitment to quicker turnaround times

We would like to thank all organisations working for the public good that responded positively to the recent calls for applications.

We are working tirelessly to process each application from over 6000 which were received between July and November 2015. Around 4700 of those applications were received from the Charities Sector, which always has the biggest need of all our funded sectors.

In line with the recently published regulations, we'd like to reassure our current and potential beneficiaries of our commitment to reaching the target to adjudicate applications within 150 days from receipt.

The process of transformation is ongoing, and we would like to thank you for your patience as we work to meet our targets and your expectations.

The National Lotteries Commission continues to be energised by the passion of funding applicants, whose work is aimed at impacting the lives of all South Africans, especially the vulnerable.

We reaffirm our commitment to being the Catalyst for Social Upliftment.

Indeed we are "**Changing lives**".

We'd like to wish all our stakeholders a safe and prosperous holiday season.

Mrs T.C.C Mampane
Commissioner
National Lotteries Commission
