SECTION 1: BACKGROUND, OVERVIEW AND RFP SCOPE OF REQUIREMENTS

1. INTRODUCTION

The National Lotteries Commission was established in terms of the Lotteries Act No. 57 of 1997, as amended (Lotteries Act) to regulate the National Lottery as well as other lotteries and societies.

The NLC aims to ensure that funds raised through the National Lottery are distributed equitably and expeditiously across South Africa in order to advance social upliftment of communities in need with the aim of addressing poverty and reducing inequalities in line with the National Development Plan.

The Commission is required to apply principles of openness and transparency in the exercise of its functions assigned to it in terms of the Lotteries Act No 57 of 1997.

2. BACKGROUND

The NLC has a range of stakeholders who have legitimate needs, interests and expectations, and influence over it and its operations and/or over whom the NLC has influence.

The NLC's national indaba (Indaba) is an established platform where delegates deliberate on various issues affecting the NLC and its stakeholders. These issues include regulation, funding, sustainability, as well as alignment to the key national priorities as contained in the National Development Plan.

During the Indaba, the leadership of the NLC interacts with various stakeholders from across the country at a central location, in line with the provisions of the Lotteries Act to further understand stakeholder needs and entrench the relationship with its stakeholders.

The Indaba typically takes place over three (3) days, and it comprises:

- A regulatory conference/roundtable (approx. 200 delegates)
- Staff briefing dinner (approx. 400 delegates)
- Two (2) day Indaba conference and commissions (1500 delegates)
- Gala dinner (1500 delegates)

The theme of the Indaba and key messages will be crafted around the Board's three pillar approach of:

- Returning the NLC to its core mandates of regulation and grant making
- · Reinstating its credibility, and
- Restoring governance and integrity with zero tolerance for fraud and corruption

PFMA S(51)(1)(a) requires that "An accounting authority for a public entity must ensure that that public entity has and maintains effective, efficient and transparent systems of financial and risk NLC/2024-002 NLC INDABA 2024
